

Saturday Childcare Service

The Faculty of Continuing Education is pleased to offer a childcare service to part-time students who are registered in and attending a Continuing Education subject at the Newnham Campus on Saturdays. **It is open Saturdays 9:00am - 4:00pm during regularly scheduled semesters.**

The Childcare Centre, located in the Seneca Lab School at Newnham Campus, will accommodate children 2 1/2 to 11 years of age. Quality supervision is available and there is no charge to current students. A variety of age appropriate activities are provided and a nutritious snack is served. No lunch supervision is available and all students are responsible for the care and feeding of their children during this time. The Childcare Centre is closed between 12:30pm - 1:00pm. **Students must register their children each semester due to limited spaces.**

To register your child(ren) complete the form below, tear off and return to Winnie Thien in the Faculty of Continuing Education office, Newnham Campus. Please note that you will receive confirmation of availability and that completion of the form does not automatically ensure space for your child(ren).
