NOTE

The above dates represent the best information available on the academic schedule at the time of issuing. The College reserves the right to make changes as required. Should changes occur, the revised critical dates will be forwarded to Seneca students.

Total Cost Estimates:

Tuition Fees	\$4,080.12
Books and Supplies	\$2,939.00

NOTE

Book and Supply Costs are approximate and do not include transportation, field trip or work integrated learning fees. Fees are subject to change.

As a Better Jobs Ontario applicant, you are expected to make a \$500.00 non-refundable deposit towards your tuition by the due date that appears on your online Student Center. You must pay the remainder of your tuition fees in full by the first day of classes or a \$150.00 late fee will be added to your fees. If your \$500.00 deposit is not received, you will lose your seat in the program.

Notification of withdrawal must be directed to the Registrar's Office in writing (by *regular* mail or in person) in order to be eligible for appropriate fees refund where applicable. Withdrawal from Seneca before the tenth day of scheduled classes will result in a refund of full tuition fees paid, less \$500.00. If withdrawal occurs after the tenth day of scheduled classes, no tuition fees from that term will be refunded. Fees collected for future terms will be refunded.

Employment Opportunities:

As graduate from this program you can find employment opportunities within the property valuation and property taxation industries in both the public and private sector. Graduates are often sought-after by property assessment agencies, property appraisal firms, property tax agent firms, municipal government tax departments, leasing agents and corporate property tax offices across Canada.

For further information, please contact our Student Recruitment Department at Student.Recruitment@senecapolytechnic.ca.

Field Placement: Fieldwork is an integral element of your program, providing a way to integrate classroom learning in to real industry situations – honing your skills and helping you build a network of contacts ahead of graduation. You'll benefit from two field placements with practitioners in the real property valuation and property taxation industries. This component is critical to your success and a requirement to graduate.

To be eligible for Field Placement I, you must successfully be enrolled in the full curriculum in semester one. To be eligible for Field Placement II, you must successfully complete the full curriculum in semester one.

If you are approved for Better Jobs Ontario Funding, you will be required to submit a signed copy of your contract to the Admissions Office.
