

BETTER JOBS ONTARIO: COST BREAKDOWN ESTIMATE & SESSIONAL DATES

Program: Sustainable Urban and Transportation Planning (UBS - NH)

Credential: Ontario College Graduate Certificate

Campus: Newnham

Address: 1750 Finch Avenue East Toronto, ON M2J 2X5

Program Length: 2 Terms (1 Year)

Start Date: 9/3/2024

Term Dates:

TERM	START	STOP	BREAKS	Hours/ Week
Fall 2024	Sept 3, 2024	Dec 11, 2024	Oct 21, 2024 - Oct 25, 2024	22
Winter 2025	Jan 6, 2025	Apr 18, 2025	Feb 24, 2025 - Feb 28, 2025	23

NOTE

The above dates represent the best information available on the academic schedule at the time of issuing. The College reserves the right to make changes as required. Should changes occur, the revised critical dates will be forwarded to Seneca students.

Total Cost Estimates:

Tuition Fees	\$5,659.10
Books and Supplies	\$1,300.00

NOTE

Book and Supply Costs are approximate and do not include transportation, field trip or work integrated learning fees. Fees are subject to change.

As a Better Jobs Ontario applicant, you are expected to make a \$500.00 non-refundable deposit towards your tuition by the due date that appears on your online Student Center. You must pay the remainder of your tuition fees in full by the first day of classes or a \$150.00 late fee will be added to your fees. If your \$500.00 deposit is not received, you will lose your seat in the program.

Notification of withdrawal must be directed to the Registrar's Office in writing (by *regular* mail or in person) in order to be eligible for appropriate fees refund where applicable. Withdrawal from Seneca before the tenth day of scheduled classes will result in a refund of full tuition fees paid, less \$500.00. If withdrawal occurs after the tenth day of scheduled classes, no tuition fees from that term will be refunded. Fees collected for future terms will be refunded.

Employment Opportunities:

This program will help students better understand land development and environmental and social issues through the analysis and review of case studies. Further, it will familiarize graduates with the legal basis for land use planning. Graduates will also be introduced to legislation and current policies used to develop sustainable communities and enhance urban infrastructure and transportation facilities. Graduates will learn and work with the most up-to-date technologies, including Geographical Information System (GIS). They will learn the fundamentals of urban planning, planning policy frameworks and the structure of planning practices.

For further information, please contact our Student Recruitment Department at Student.Recruitment@senecapolytechnic.ca.

If you are approved for Better Jobs Ontario Funding, you will be required to submit a signed copy of your contract to the Admissions Office.
