NOTE

The above dates represent the best information available on the academic schedule at the time of issuing. The College reserves the right to make changes as required. Should changes occur, the revised critical dates will be forwarded to Seneca students.

Total Cost Estimates:

Tuition Fees	\$5,209.46
Books and Supplies	\$1,950.00

NOTE

Book and Supply Costs are approximate and do not include transportation, field trip or work integrated learning fees. Fees are subject to change.

As a Better Jobs Ontario applicant, you are expected to make a \$500.00 non-refundable deposit towards your tuition by the due date that appears on your online Student Center. You must pay the remainder of your tuition fees in full by the first day of classes or a \$150.00 late fee will be added to your fees. If your \$500.00 deposit is not received, you will lose your seat in the program.

Notification of withdrawal must be directed to the Registrar's Office in writing (by *regular* mail or in person) in order to be eligible for appropriate fees refund where applicable. Withdrawal from Seneca before the tenth day of scheduled classes will result in a refund of full tuition fees paid, less \$500.00. If withdrawal occurs after the tenth day of scheduled classes, no tuition fees from that term will be refunded. Fees collected for future terms will be refunded.

Employment Opportunities:

Throughout this eight-month certificate program, you will gain the essential skills needed to effectively assist veterinary professionals in the practice of veterinary science. When you graduate from this program, these are the types of career options you can explore: veterinary clinics, animal shelters, research institutes, grooming salons, wildlife facilities, etc.

For further information, please contact our Student Recruitment Department at Student.Recruitment@senecapolytechnic.ca.

Field Placement: As a student in this program, if all academic requirements are met in the first and second semesters, you will have the opportunity to participate in an unpaid field placement. Field placements take place in a professional setting outside of Seneca, two weeks after completion of classes during the second semester.

If you are approved for Better Jobs Ontario Funding, you will be required to submit a signed copy of your contract to the Admissions Office.
