GRADUATE CERTIFICATES

A graduate certificate from Seneca is the ideal choice for postsecondary graduates who want more career-focused education and industry experience. For professionals, a graduate certificate can lead to career advancement or provide a pathway to a new career in just one year. Many of our graduate certificates feature a work component that enables you to hone your skills in your chosen field and make important contacts before you graduate.

PROGRAM BENEFITS:

Short duration — one year (finish in two or three semesters)

Expert faculty with industry experience

Study alongside university and college graduates

Work experience — co-op, work term or field placement options

Options to participate in applied research
