HONOURS BACHELOR DEGREES

A Seneca honours bachelor degree offers the theory and practical experience that employers value. You'll benefit from work-integrated learning opportunities, expert faculty and a curriculum connected to industry needs. We have a wide range of degree programs providing options to define your career path with more degrees in development.

PROGRAM BENEFITS

Work experience — co-op or work term

Expert faculty with industry experience

Small classes

Opportunities to network with industry leaders

Bursary and scholarship opportunities — including renewable degree scholarships

Options for industry certification

Options to pursue master's studies in Canada and beyond

RENEWABLE DEGREE SCHOLARSHIPS

If you're enrolled in any of our degree programs, you can qualify for a renewable scholarship based on your Grade 12 grades or grades from another postsecondary program. Applications are not required.

Seneca Degree Entrance Scholarships

3.0 GPA+ 70%+ \$2,000  \$500 per year, renewable

3.3 GPA+ 75%+ \$3,000  \$750 per year, renewable

3.6 GPA+ 80%+ \$4,000  \$1,000 per year, renewable

The above scholarship information applies to all of Seneca's degree programs except for the Bachelor of Science in Nursing — Collaborative with York University. Two-year renewable scholarships are available for this program. For details, visit:

DIPLOMA TO DEGREE

If you're currently in a Seneca diploma program or a recent diploma graduate, we offer transfer opportunities into one of our 18 honours bachelor degree programs. By using your existing diploma credits, you can start your degree studies and graduate with an honours bachelor degree in as little as two years. For details, visit:
