

## THE ENGLISH LANGUAGE INSTITUTE

The ELI is an intensive ESL program for international students who wish to improve their English for academic, professional or personal reasons. The ELI is recognized for its excellence in teaching, resources and technology.

### THE ENGLISH LANGUAGE INSTITUTE

As a Seneca ELI student, you're a real part of Seneca College. You study on campus and use all of Seneca's facilities and resources. You can live in residence on campus, and you can join international students on activities and trips in Toronto, Canada, and abroad.

### THE ELI PROGRAM

- There are 8 levels in the ELI program; each level lasts 7 weeks\*
- There are 6 start dates per year: January, March, May, July, September, and November.
- Study 25 hours per week (schedules vary – see our website for a sample schedule).
- In Levels 6, 7 and 8, you'll study English and professional program subjects for credit at the same time.
- When you finish Level 8, you can enter one of Seneca's professional programs without further English testing, providing you meet all other academic requirements.

\* Level 8 is 7 weeks in March, May, July and November, and is 14 weeks in January, May and September. (In May you have a choice between 7 or 14 weeks.)
