Work Integrated Learning: Optional Work Term (WIL) Students meeting all academic requirements may have the opportunity to complete an optional work term(s) in a formal work environment. The work term(s) is similar in length to an academic semester and typically involves full-time work hours that may be paid or unpaid. In programs with limited work term opportunities, additional academic requirements and a passing grade on a communication assessment may be required for eligibility. Eligibility for participation does not guarantee a work position will be secured. Additional fees are required for those participating in the optional work term stream regardless of success in securing a work position.

All Work-Integrated Learning programs are charged an additional, non-refundable, administrative fee of \$495.00. This fee is charged in the term in which the first Work Term Preparation course is scheduled, at the rate of \$495.00 per work term.

If you are approved for Better Jobs Ontario Funding, you will be required to submit a signed copy of your contract to the Admissions Office.
