Total Cost Estimates:

Tuition Fees	\$5,535.98
Books and Supplies	N/A

NOTE

Book and Supply Costs are approximate and do not include transportation, field trip or work integrated learning fees. Fees are subject to change.

As a Better Jobs Ontario applicant, you are expected to make a \$500.00 non-refundable deposit towards your tuition by the due date that appears on your online Student Center. You must pay the remainder of your tuition fees in full by the first day of classes or a \$150.00 late fee will be added to your fees. If your \$500.00 deposit is not received, you will lose your seat in the program.

Notification of withdrawal must be directed to the Registrar's Office in writing (by *regular* mail or in person) in order to be eligible for appropriate fees refund where applicable. Withdrawal from the College before the tenth day of scheduled classes will result in a refund of full tuition fees paid, less \$500.00. If withdrawal occurs after the tenth day of scheduled classes, no tuition fees from that term will be refunded. Fees collected for future terms will be refunded.

Employment Opportunities:

The early years have a unique and formative impact on development, relationships, functioning and overall health outcomes throughout life. The robust body of research and literature on early childhood development, including early mental health confirms that adversities such as: abuse, neglect, trauma can have a profound and devastating effect on brain development, emotional functioning and physical and mental health outcomes. The certificate in infant mental health will increase knowledge and skill for those wanting to work with vulnerable young children and their families. You will be prepared to work in settings such as child protection agencies, early intervention, children's mental health, child welfare, infant development, family support, settlement programs.
